

Business/Government Continuity, Emergency Response, Security and Safety Awareness Training and Conference Presentations

BGCS offers training seminars, conference, association, executive management and staff presentations for organizations based on our best practice leadership, personal on site experiences with disasters and the lessons learned.

Benefits include compelling reasons and practical applications to promote and facilitate improved Emergency Response and Business Continuity Planning.

These motivational and highly effective training options for your personnel and conference attendees heighten awareness, support improved emergency response and continuity planning and may also qualify for annual safety and security training.

Training Seminars:

- ❑ **“Business & Government Continuity from A to Z”**
 - **A fast paced course on why and how to do continuity planning with numerous examples and applications (Our original Flagship Course in one or two day versions based on client requirements)**
- ❑ **“Business, Government & Community Continuity from A to Z”**
 - **Our international three day expanded seminar which adds facility recovery, security, sabotage/terrorism avoidance, *critical infrastructure protection*, personal family recovery plus exercises and additional details and principles for improved total continuity planning**
- ❑ **“Continuity of Operations: Network Intrusion Detection & Defense”**

(These executive management, staff and conference presentations are offered in 1-3 hour versions)

- ❑ **“The Compelling Case for Business/Government Continuity Planning”**
- ❑ **“The Urgent Requirement to Improve Business/Govt. Continuity Plans”**
- ❑ **“Improving BC & ER Plans with Lessons Learned from Major Disasters”**
- ❑ **“Total Continuity Requirements: Get Ready for “Mega” Disasters”**
- ❑ **“Progressing from IT Disaster Recovery to Business Continuity Plans”**
- ❑ **“Home and Personal Disaster Recovery Planning for Key Staff & Employees”**
- ❑ **“ Sabotage/Terrorism Threats, Avoidance Principles and Recovery”**
- ❑ **“Horrendous Disasters and Terrorist Threats: Get Ready for the Big Ones”**
- ❑ **“Planning Actions to Prepare for Operations During Pandemics and Elevated Terrorist Conditions”**
- ❑ **“Character in the Workplace to Improve Services, Relationships and to Minimize Disasters and Workplace Violence”**
- ❑ **“Disaster Recovery Plans Past, Present and Future”**

These dynamic and motivating presentations are an effective method to enhance organizational sustainability and survivability and to make continuity planning part of your corporate or government agency culture.

PRESENTER & SEMINAR INSTRUCTOR BIOGRAPHY

Lloyd R. Smith, Jr., a retired Air Force Colonel has 25 years experience in Information Systems and 21 years in Disaster Recovery. As Director of Information Systems for the Oklahoma City Air Logistics Center for five years, he and the Information Systems Staff were responsible for a disaster recovery operation when a 40 hour, 22 alarm fire threatened three critical operations centers and did \$138 million dollars in damage to the logistics, maintenance and manufacturing facility and seriously disrupted critical government operations. Lloyd also provided disaster recovery assistance to a government client, on site after the Oklahoma City Federal Building Bombing, he was involved in the devastating F5 tornado in Oklahoma City and assisted an international corporation with hundreds of people at ground zero in their human and emergency response immediately following the terrorist attack on the United States.

Colonel Smith, a graduate of the U. S. Naval Academy, Annapolis, MD has a Masters Degree from the University of Oklahoma. Certified as a Master Business Continuity Professional (MBCP), he is an internationally recognized speaker and instructor and has become a leading advocate for corporate and government agency disaster prevention and recovery planning. He founded Business & Government Continuity Services, which provides business and government disaster recovery awareness and consulting services to include risk/vulnerability assessments, business impact analyses, disaster recovery plan development, testing, personnel/team training, recovery plan **mentoring and auditing**.

Lloyd has been active in developing business continuity policies and standards while serving on the Disaster Recovery Institute Certification Commission and the Disaster Recovery Institute International Board of Directors for eight years. He has served as an instructor for 17 years, has taught over 170 Disaster Recovery Institute International Courses and served as an adjunct professor teaching business and government continuity at the University of North Texas. Colonel Smith is a member of InfraGard, a partnership with the FBI, government, business & private sectors to protect America's critical infrastructure.

Lloyd has trained: **NY Stock Exchange, Merrill Lynch, FEMA, NASA, FAA, US Coast Guard, DOD Accounting & Finance, Social Security Administration, Securities Exchange Commission, AT&T, Alaska Airlines, UMB Banks,** Insurance Companies, Universities, large & small corporations, and City and State Governments.
